WARNHINWEISE

WARNINGS | AVERTISSEMENTS

ACHTUNG!
Vor Beginn lesen

Beachten Sie unbedingt die folgenden Hinweise.

1. Das Tragen von Schutzhandschuhen wird dringend empfohlen, da die Elemente scharfkantig sein können.
2. Verwenden Sie ausschließlich sicheres und intaktes Werkzeug.
3. Während der Montage ist eine Schutzausrüstung zu tragen.
4. Die Montage muss von sachkundigem Personal anhand dieser Montageanleitung erfolgen.

ATTENTION!
Read before starting

Absolutely follow the following instructions.

1. Wearing protective gloves is urgently recommended, because the elements can be sharp edged.
2. Use only exclusively sure and intact tools.
3. During the assembly, wear protective equipment.
4. The assembly must be carried out properly according to these assembly instructions by experienced personnel.

AVERTISSEMENT!
Lire avant de commencer

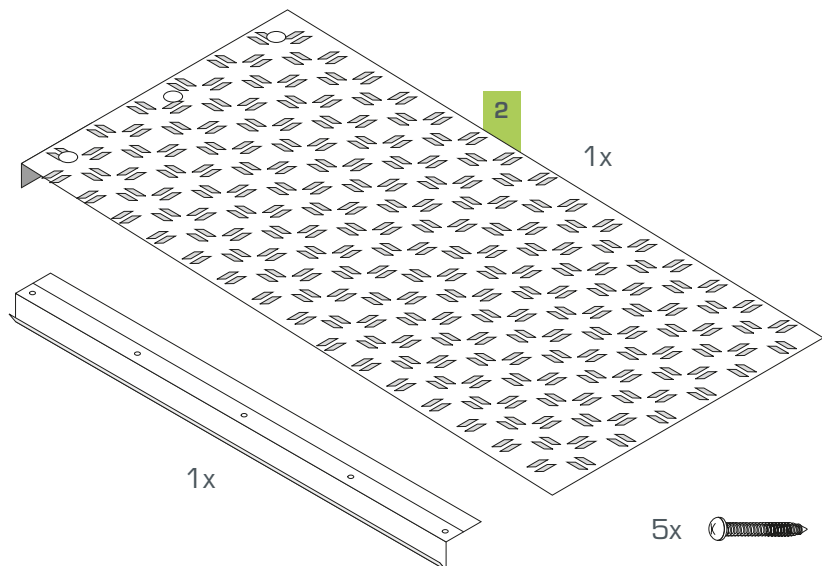

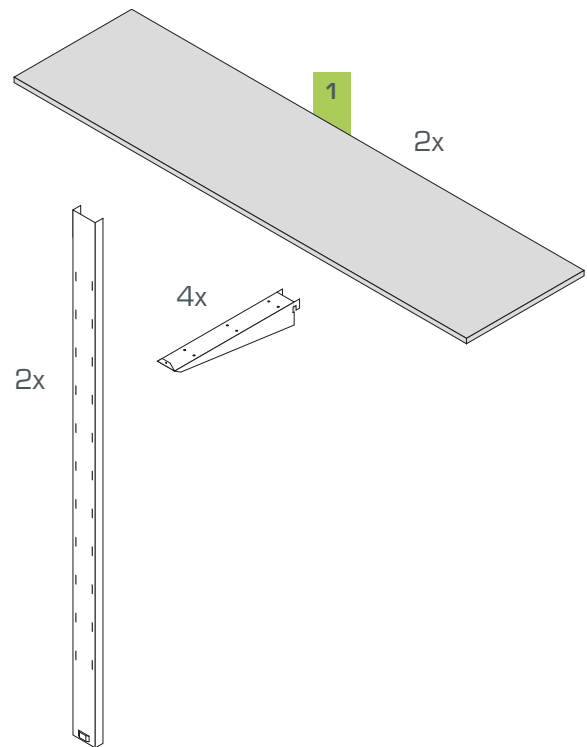

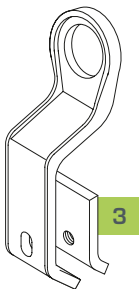

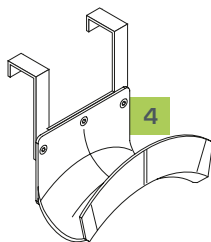

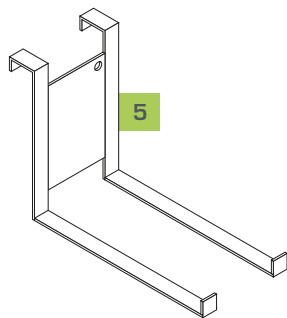

Veillez à respecter les informations suivantes.

1. Il est fortement recommandé de porter des gants de protection car les éléments peuvent avoir des arêtes vives.
2. Utilisez exclusivement des outils sûres et en bon état.
3. Le port d'équipements de sécurité est nécessaire pendant le montage.
4. Le montage est à effectuer par des personnes qualifiées selon ces instructions ci-après.
